

Modern Slavery Statement for NetBase Global Limited

Introduction

NetBase Global Limited is committed to conducting our business with integrity and in compliance with all applicable laws. We recognize the seriousness of modern slavery and human trafficking, and we are dedicated to preventing such practices in our operations.

Our Business and Supply Chains

NetBase Global Limited operates in the United Kingdom, providing consumer and market insights through a software as a service platform and associated professional services. Our operations involve a diverse range of suppliers and partners, spanning various regions and sectors. We are committed to ensuring that our operations are free from any form of modern slavery.

Policies and Practices

We have established robust policies and practices to combat modern slavery, which include:

1. **Code of Conduct:** Our Code of Conduct outlines our commitment to ethical business practices and prohibits any form of forced or compulsory labor.
2. **Supplier Due Diligence:** We conduct due diligence on our suppliers to ensure compliance with relevant labor standards.
3. **Training and Awareness:** We provide training to our employees about modern slavery and human trafficking to raise awareness and promote responsible practices.
4. **Reporting Mechanisms:** We encourage employees and stakeholders to report any concerns regarding modern slavery through our established reporting channels.

Risk Assessment

We regularly assess the risks of modern slavery in our operations. This includes evaluating the countries and sectors in which we operate, as well as the nature of our suppliers. We take appropriate measures to address identified risks and enhance our due diligence processes.

Continuous Improvement

NetBase Global Limited is committed to continuous improvement in our efforts to combat modern slavery. We will regularly review and update our policies and practices to ensure they remain effective and align with best practices.

Conclusion

NetBase Global Limited is dedicated to maintaining a workplace free from modern slavery and human trafficking. We will continue to work collaboratively with our suppliers, partners, and stakeholders to promote ethical practices and uphold the rights of all individuals.

This statement is made in accordance with the Modern Slavery Act 2015 and reflects our commitment to combating modern slavery in all its forms.
